Submission No 1

15 June 1998

Ms K Newton
Research Director
Legal, Constitutional and
Administrative Review Committee
Parliament House
George Street
BRISBANE QLD 4000

Dear Ms Newton

I refer to the Interim Report of the Legal, Constitutional and Administrative Review Committee on the consolidation of the Queensland Constitution which was tabled in the Legislative Assembly in May 1998 and particularly the request at page 15 for submissions on the content of the State Constitution and a consolidated Parliament Bill.

I note that the current relationship between the Auditor-General and the Public Accounts Committee has been maintained in the draft Parliament of Queensland Bill and I wish to advise that I offer no objection to content of that Bill as well as the draft Constitution of Queensland Bill.

Yours faithfully

L J SCANLAN
Auditor-General
