Dear Madam

**Re: Review of the Queensland Constitutional Review Commission's recommendation for four year parliamentary terms**

I refer to a letter dated 13 April 2000 received from the Chairperson of the Legal, Constitutional and Administrative Review Committee, Mr Gary Fenlon MLA inviting submissions on four year parliamentary terms.

Council has reviewed the Four Year Parliamentary Terms Background Paper (April 2000) and I wish to advise that it supports four (4) year State parliamentary terms on the basis it provides more stability in government, assists long term planning in government and is consistent with the terms for other States and Queensland local government.

Yours faithfully
