Dear Sir

RE: FOUR YEAR PARLIAMENTARY TERMS

We refer to your letter of 13 April and advise that the Council supports the QCRC recommendation No. 5.2 in its entirety, but considers that in addition, elections for our State Parliament should be held on a nominated date as is the case for local government elections i.e. last Saturday in March of quadrennium.

We consider that the fixing of a specific date would provide a greater focus and discipline for the electoral process.

Yours faithfully

A.J. BROWN
CHIEF EXECUTIVE OFFICER
