Dear Sir

Re: Position Paper (April 2000)

With reference to the four (4) year parliamentary terms as described in the above Position Paper, I regret that Bulloo Shire Council was unable to make a submission before the due date (i.e. 12 May 2000).

I wish to advise, however, that Council fully support the recommendation "that the maximum term of the Legislative Assembly be extended to four years".

Yours faithfully

Peter Stewart
Chief Executive Officer
