We strongly object to extended trading hours of hotels in the Toowoomba area on the following grounds.

1. There are too many vehicle accidents at the moment caused by alcoholic consumption.

2. Far too many unnecessary deaths and long term injuries that can be associated through alcoholic consumption and rather than extend drinking hours I would favour curtailing same. Alcohol is the cause.

of severe brain damage  
and should be drastically  
restricted in its use.

At this time when our  
health system is seriously  
overloaded and medical  
staff are worked off  
their feet. Why should  
this situation be aggravated  
to satisfy the whims  
of a few greedy  
grasping publishers,  
whose sole aim appears  
to be to add to the  
number of wheel chairs  
in this community.
