Best practice harm minimisation measures:

My Submission to you is simple, please read my Report <http://www.dianabuckland.webs.com/> for diverse and complex explanations for violence and criminality. Ignore same at your own peril and the peril of Australia - they cannot handle the level of violence in Australia and it will only get worse - mark my words, firstly you have to stop immediately the silicofluoride poisoning of Australia's water supplies (aka water fluoridation schemes). I don't need to add any more as everything is in this report - we know drugs and alcohol are a problem, but all the things mentioned in my report are never considered, especially synergistically and cumulatively. Di Buckland, Kallangur.
