The impact of late opening hours:

I believe that the present day trading hours are the cause of broken families, destruction of youth, deaths on the road and violence during the night. Why is it necessary for our youth to have ready access to liquor almost around the clock? General conversation says, "It is not safe to walk the streets of Brisbane at night". LAW & DISORDER!! I guess It is considered safe to drink liquor until it runs out of "Ears", so long as you don't SMOKE Cigarettes!!.
