Legislative Assembly of Queensland  
Parliament House  
George Street  
BRISBANE QLD 4000

Dear Ms Newton

I refer to the April 2000 Position Paper, particularly s5 on page 7.

I circularised the Judges in early May on the basis that I believed the proposed amendments non-controversial, and none has suggested a contrary view.

There is in these circumstances no particular observation I wish to make about the proposed changes.

Yours sincerely

The Hon P de Jersey AC  
Chief Justice
