Dear Mr Fenlon

REVIEW OF QCRC REPORT ON CONSTITUTIONAL REFORM

The Department of Natural Resources has examined the position paper prepared by the Legal, Constitutional and Administrative Review Committee on the recommendations in the *Report on the possible reform of and changes to the acts and laws that relate to the Queensland Constitution*. The Department finds the proposals uncontentious and supports the selected recommendations.

The Department has also examined the background paper on *Four Year Parliamentary Terms*, but does not wish to enter the debate.

Yours sincerely

Terry Hogan
