## **MEETING OF THE PARLIAMENTARY CRIME AND CORRUPTION COMMITTEE**

### **TRANSCRIPT OF PROCEEDINGS**

## TUESDAY, 15 MARCH 2022

---

**The committee met at 1.06 pm.**

**CHAIR:** I declare open the public meeting of the Parliamentary Crime and Corruption Committee for today. I am Jon Krause, the member for Scenic Rim and chair of the committee. Joining me on the committee today are: Ms Jonty Bush, member for Cooper; Mr Michael Crandon, member for Coomera; Ms Jess Pugh, member for Mount Ommaney; Dr Mark Robinson, member for Oodgeroo; Ms Jennifer Howard, member for Ipswich, who is substituting for Mr Jimmy Sullivan, member for Stafford, for today's proceedings and until further notice; and Mr Don Brown, member for Capalaba, who is substituting for Mrs Melissa McMahon, member for Macalister, for today's proceedings and until further notice.

Before we begin, I would like to acknowledge the traditional owners of the land upon which we meet today and pay my respects to their elders past, present and emerging.

The committee's proceedings are proceedings of the Queensland parliament and are subject to the standing rules and orders of the parliament. As parliamentary proceedings, under the standing orders any person may be excluded from today's meeting at my discretion or by order of the committee. The proceedings are being recorded by Hansard and broadcast live on the parliament's website. Media may be present and will be subject to my direction at all times. The media rules endorsed by the committee are available from the staff if required. All those present today should note that it is possible you may be filmed or photographed in these proceedings and your images may also appear on parliament's website or social media pages.

The committee is beginning its meeting in public to deal with a number of matters. The committee will then close the public part of the meeting and continue its meeting in private. Firstly, are there any apologies or declarations of interest relevant to the public session?

**Mr CRANDON:** Chair, there may be matters in the public session that relate to Logan matters, so I make my standing declaration.

**CHAIR:** Yes. Item 1 on the agenda is noting of the substitution advice for Mr Sullivan until further notice and Mrs McMahon until further notice. We have already noted that. If there are no other declarations of interest, I move on to the adoption of the agenda. Members have been provided with a copy of the agenda for today's meeting. I move that the committee adopt the agenda for Tuesday, 15 March 2022. All those in favour? Against? That is carried.

Item 3 on the agenda: draft minutes of the meeting held on 25 February 2022 are attached. I propose and will move that the minutes of the meeting held on 25 February 2022 are confirmed as a true and accurate record of that meeting. All those in favour? Against? That is carried.

Item 4 on the agenda: the correspondence register has been provided to members. The chair's proposed resolution is that the inward correspondence be accepted and the outward endorsed. I move that. All those in favour? Against? That is carried.

The next item on the agenda is oversight, item 5.1: responses to questions taken on notice and the CCC's responses to questions taken on notice during the public meeting on 25 February 2022. There were questions asked by the member for Coomera in relation to the state archivist matters, also requests from me for a copy of the state archivist report provided to the CCC, another question from the member for Coomera in relation to the CCC's public report and another question from the member for Coomera in relation to the CCC's public report. The answers to the questions on notice have been provided by the CCC. The proposed resolution is that the committee authorise the publication of the CCC's responses to questions taken on notice during the public meeting on 25 February 2022. I move that but also move an amendment to ensure appropriate redactions of unparliamentary language and also phone and email details of the parties in those questions on notice and a handwritten annotation on page 7 of the state archivist report to the CCC. I will move that. Is there any discussion on that matter?

**Mr CRANDON:** I think that is fairly standard—what we did last time with redacting telephone numbers and email addresses. I am not sure there was unparliamentary language, but there certainly is in this group.

**CHAIR:** I will put that motion. All those in favour? Against? That is carried.

## Meeting of the Parliamentary Crime and Corruption Committee

In relation to the next item of business, 5.2, open commission minutes: members have been provided with open commission minutes of 28 January 2022 and a commission flying minute of 20 January 2022. They are attached. The proposed action here is for noting only. That is the usual practice, for the committee to note those minutes. I will consider that those minutes have been noted.

Members, that concludes the public session of our meeting. To those who have been watching on our broadcast, thank you for watching. The committee will move now into private session.

**The committee adjourned at 1.12 pm.**
