Acting Chair
Parliamentary Crime and Corruption Committee

BRISBANE Qld 4000

Dear Mr Russo,

Review of the Crime and Corruption Commission

Thank you for the opportunity to make a submission in relation to reviewing the performance of the Crime and Corruption Commission (CCC) and the *Crime and Corruption Act 2001* (the Act).

As a Government-Owned Corporation, many of the CCC's functions, powers and operations do not directly affect Ergon Energy Corporation Limited (Ergon Energy). However, where applicable, Ergon Energy has implemented policies and procedures to ensure compliance with the Act, such as the recent introduction of a policy on reporting complaints about the Chief Executive.

Ergon Energy supports the recent amendments to the Act, in particular the definition of 'Corrupt Conduct' and the associated enhanced reporting obligations which have made the reporting process more streamlined for Ergon Energy.

Please do not hesitate to contact Ashley King on (07) 3851 6792 if you would like any further details in support of this submission.

Yours sincerely
