Dear Mr Hoolihan

**Three Yearly Review of the Crime and Misconduct Commission**

Thank you for your letter dated 18 September 2008 inviting submissions to assist in conducting a three yearly review of the Crime and Misconduct Commission (CMC).

In recent years, there has only been one occasion for the Corporation to be in contact with the CMC. This involved a possible theft allegation that the CMC assessed "*Referral to the UPA - no recommendation - outcome advice only*". The matter was handled expediently and promptly.

Thank you for the opportunity to comment.

Yours sincerely
