Dear Research Director,

Inquiry into Rail Safety National Law (Queensland) Bill 2016

Thank you for your email of 15 September 2016 and the opportunity to comment on the introduction of the Rail Safety National Law (Queensland) Bill 2016.

The introduction of the Rail Safety National Law (Queensland) Bill 2016 will see major benefits for interstate rail transport operators, bringing legislative consistency between the states and territories of Australia.

ARTC does not have any objections to the introduction of this Bill and fully supports its introduction in the Queensland parliament.

Yours sincerely

John Fullerton
Chief Executive Officer
