Dear Ministers/Parliamentarians

This is in regard to 'Transport and Other Legislation (Personalised Transport Reform) Amendment Bill 2017 whereby the Queensland Parliament is considering imposing around \$240 license fee annually on ride sharing Uber drivers.

I am an Uber driver and have been driving full time for the last one and half year. I have no other job and totally dependent on what I earned from ride sharing business.

As a result of proposed "Transport Amendment Bill" is passed, as an Uber driver I will have to pay additional cost around \$240 annually, which will negatively impact my income, as a result it will be difficult to sustain a family where cost of living is increasing. Therefore it is requested that the proposed license fee may dropped.

Thanking you

Sincerely yours

Sunil Khanna
