Dear Sir/ Madam

I have just had to sell my 2 taxi service licences. I am now \$700k+ in debt for an asset that I no longer own. This asset was worked within the bounds of the law but now the law has turned it's back on me.

Please note my disgust at this proposed law change.

The references below are inconsistent with what is currently happening in government.

TOPTA CH 1 3. (1) (2) & (3) which remains in force  
Transport and other legislation Amendment Bill 2017  
Chap 7 Part 1. 68
