for Transport and other legislation (Personalised Transport
Reform) Amendment Bill 2017

Dear Committee Secretary,

I am writing concern the Bill negative impact
on myself as rideshare driver.

I was not thinking about anything like mortgage
plan or where are ways through to it. Now
ride sharing offered me the chance and
courage to improve myself further up toward
my goal plans.

My concern with CTP additional per rental car
from time to time, that is insupportable for me

I would consider your acceptance, one reasonable
amount payment for license requirement, in one package.

I will not help agreeing with your decision making as it
not the quality helpful for Queenslanders ride-sharing
drivers at all.

Yours Sincerely Usman
