

RE. transport and other legislation
Personalised transport Reform,
Amendment. bill 2017.

Dear committee Secretary, I'm writing
to voice my concern the bill and how
it will negatively impact rideshare drivers
like my self.

In 2013. I became a full time carer
for my wife, so for the last $3\frac{1}{2}$ years
I have been a carer, for her, I now have
her. in a good place but she still need
caring for. so I needed a job that
would give me flexibility to stop work
if needed to look after her. So
Uber gave me that. but any
increase in CTP or more fee's will
be hard. carers payment doesn't
pay well, and it is unfair to people like
my self or not work every day.
I sincerely hope you will consider
these fee's. thank you for your time.
