

Dear Secretary;

My name is Murray Dovey, and I am writing in regard to the "Transport and Other Legislation (Personalised Transport Reform) Amendment Bill 2017".

I would firstly like to say that I am thoroughly opposed to this bill as it will make it harder for me to make ends meet which is already a struggle. As a merchant seafarer, the demise of the Australian shipping industry has meant that I have only been to sea once in the last twelve months. It was the same the year before. I am in my 50's and don't have a lot of qualifications, but as a former Army driver, driving is something I can do to keep me going between jobs. I implore you not to make things any more difficult for me than they already are. Thank you for your attention, yours sincerely,

Murray Dovey
