

Bill 2017.

Raymond Tyndall.

DEAR COMMITTEE, I'm writing To you Voice my concerns Regarding This Intended Bill.

I'm Sixty Six years age and Finding Life Increasing Difficult Trying To SURENIE ON THE OLD AGE PENSION. MY HEALTH IS AT ABOUT 90% SO TRYING hold A JOB (PART TIME / FULL TIME) IS VERTUALLY IMPOSSIBLE. With USED CAR I Can work 2 or 3 hrs. Without Causing my HEALTH any DETRIMENT.

With This Bill Will CAUSE UNDOE HARD SHIP & UNAFFORDABLE EXPENSE, AS I HAVE & Paid For Industry Licence Plus my Car Car Licence. IF you FEEL you Can MAKE Ends MEET Surely This NOT my Problem & you should Rip SOMEONE ELSE OF.

Should you go AHEAD With This I FEEL my ONLY ALTERNATIVE IS To TO BACK TO THE OLD AGE PENSION and BE A FURTHER BURDEN To THE GOVERNMENT.

REGARDS

(Ray Tyndall)
