Dear Mr Malone

Economic Development Bill 2012

I refer to your letter of 5 November 2012, overviewing the implications of the Economic Development Bill 2012 and notifying Unitywater of the opportunities for making submissions.

Unitywater has undertaken a review of the Bill and its explanatory notes. The abolition of the ULDA is of significance given its responsibility for the Caloundra South master planned community, which is within the Unitywater service area.

It is noted that the Committee has limited time to provide its report back to the Parliament and has acted promptly to correspond with Unitywater.

It would be beneficial, in our view, if the Committee was able to secure a longer review period from the Parliament so that more than five days could be allocated for contributions to be obtained from interested parties.

Thank you for the opportunity to comment on this matter.

Yours sincerely
