Dear Sir/Madam, Re. ^{FREEHOLD TENURE} More land security for leasehold
I would like to suggest
That leaseholders' Properties should be
Valued by a registered valuer.

I believe most government
Valuers have lost touch with reality.

I also believe the leaseholder
should be able to engage their own
valuer and should be able to negotiate
with the government valuer. The Land
Court should be the last resort.

I don't believe tenure
should be transferred without valuation
AND that it should be paid for over
50 years with NO INTEREST — AFTER
ALL the government is seeing justice
to be done.

Yours faithfully,

E. A. TURNER (Eunice)
