Dear Peter,

Can you please advise me whether the email below, which was sent to the former Department of Employment, Economic Development and Innovation, is a submission to the Committee's inquiry into Government Land Tenure?

Kind regards,

Rhia Campillo

Dear Mary . My wife and I own and operate, the Springbrook General Store and Cafe ,for the past 7 years. In that time we have had a lot of hard times from different events . but none as the so called buy back scheme. This scheme which was driving by A.R.C.S. only had one agenda, which was to get the bussiness and people of the mountain . .Their long term goal ,was to have gates installed at the bottom of the mountain and you would get a pass from National parks to come to Springbrook . The whole land purchase,s were a sham, with the local real estate agent, Aito kito and a local greenie ,pick out what to buy and how to shut as many bussiness down in the meantime. Also the local greenie sold some of his land also at a good profit to the government. All of these purchace should be reviewed , and where possable be returned to private enterpraise , and the funds collected, be spent on the National parks, where they should have in the first place. This project has been bad for Springbrook and only a deal to get the green vote for labor Your truly Peter and Gail Grayson Springbrook General Store and Cafe 10 Forestry road Springbrook 4213 ph 55335154 PS not very good at emails
