Dear Sir/Madam

RE: Regional Planning Interests Regulation 2014

The Australian Petroleum Production & Exploration Association (APPEA) welcomes the opportunity to provide a submission on the *Regional Planning Interests Regulation 2014*.

As with any new policy there is potential that implementation of Regional Planning may vary from government intent. Should this occur APPEA would seek refinement of the Regulation however at this time we do not consider this necessary.

APPEA looks forward to working with other stakeholders to realise a coexistence framework that supports ongoing growth and vitality in Queensland's regional economies.

If you would like to discuss these matters further please contact me at [REDACTED]

Regards,

Matthew Paull
Policy Director - Queensland
