I live in Palm Beach and shop at the Pines Shopping centre in Elanora, I am 79 years of age. One afternoon at the Pines Shopping Centre I was nearly by a speeding E-bike with both rider and passenger (no helmets) and could not be older than 15 years old, abused me for not getting out of the way quick enough....I was on the footpath near the Post Office boxes. Speeding bikes should not be allowed on footpaths especially as people step out from the centre doors not expecting a speeding bike. There needs to be some age restriction, speed limiting these bikes and some training on laws applicable to this type of transport.
