Submitter Comments:

School children going to PBC have no safe option to legally ride their bikes. Consider a sufficient bike lane or footpath. Staggering the start times of the schools more (internally & between schools). Particularly from Currumbin Primary, Station St & the Pines to & from school. The kids are so dangerous & disregard all road rules but there's not really a good alternative. A very active campaign of warnings that result in something minor like school detention. Then maybe community service. Then fine parents.
