Like most citizens I am concerned for the safety of our younger generation. No helmets, doubling to and from School, activities. Many obviously lack of riding skills. Unless dealt with the serious accidents, head injuries and deaths will simply increase to not just the riders / those being doubled but also unsuspecting walkers in particular on our wonderful walkway the council have created for the communities enjoyment. Taking grandkids on the walkway (I have 19) is out of the question any time of the day or night. I am all for liberty and freedom ... BUT ...THEY KNOW NOT WHAT THEY DO.
