These e-bikes are being used by kids who are unlicensed and no knowledge of road rules drive on footpaths at high speed with no regard and I've seen up to three pillion passengers with no helmets, seen them drive recklessly on public roads in groups. [REDACTED] and I I are frightened of walking on the front at Tugun as we have had e-bikes pass us within a metre at 60kmhr which is dangerous, it's fast enough to kill us both and we are plain frightened of them
