My Submission is to introduce a Total Ban on E-Bikes & E -Scooters -Why Because the Issue is Totally out of Control ,As E Bikes are a Very Young AGE Group from 10 to 16 Years old , The Government cannot Licence Them at that AGE ,The Local Police are Not Interested in the Policing the Dangerous Activity that happens every day in Coolangatta , Kirra & Rainbow ,Even Tweed across the Border has the Issue .With Social Media so Prevalent the E- Bikes Riders Ride Filming themselves down Marine Parade on ONE wheel mainly after School Hours and Saturday & Sunday and School Holidays ,As Residents in Coolangatta are amazed that no E-bike Rider has been Killed with there Dangerous Activity ,as Marine Parade has Parallel Parking So it is had to see Reversing out any E Bikes Not Just Cars ,The Worse illegal Activity is they Dont Stop for Pedestrian Crossings or Red Traffic Lights ,In Conclusion I can see no other way out of this E Bike Issue but to Ban Them as there is Hundreds out there in the Public Road System with No Policing what so Ever by Gold Coast Council who allow Hire E Bikes(Lime) & Local Police .
