## **E Bikes**

The following should be considered:

1. No-one under the age of 18 should be allowed to ride an e bike and a licence similar to a motorcycle is required.

If the above is not considered, then:

1. Maximum speed – 20km/h
2. If a child has an accident, the child is automatically at fault, the parents should be liable for all costs, (legal and repairs) and any legal proceedings
3. No insurance claim should be permitted by the parents.
4. Helmets – mandatory.

## **E Skateboards**

In the case of e skateboards, consider some of the above and no passengers allowed.
