I am a 64 yr old respectful female, in Nov 2024 I was strolling along the pathway through Jack Morgan Park. 3 youths approached at speed from the oncoming direction & yelled at me to "get outta the way". I moved over enough for them to pass despite the open parkland beside that they also could've ridden on. Clearly they took this as a provocation & once past me, all turned back towards me & proceeded to buzz & bomb me with profanities & several near misses! I was eating an ice cream, on the phone to my 88 year old mother & minding my own business when this incident began. They turn into bullies & thugs when on e-bikes & e-scooters whether they are on the road, footpath or park walkway as this incident is evidence of. I was minding my own business & still was not safe!
