As a owner/occupier of a property in Surfers Paradise, myself and others have witnessed near misses with both collision and carelessness by people on e scooters and e bikes1. NO HELMETS being worn either due to outright disrespect of the law by riders or not being supplied by the company2. RECKLESS on the road and footpath by riders putting me as a driver at a very high risk of contributing to an serious accident or death....something a driver should not be subjected to.....sever legal consequences3. LOW VISIBILITY at night...eg dark clothing, no lights etc4. DISRESPECT to drivers5. DRIVING THROUGH RED LIGHTS6. LEFT ON /OUTSIDE PRIVATE PROPERTY or along THE ESPLANADE causing obstruction and public safety issuePOLICE and Government NEED to ENFORCE the laws and FINE individualsNote ...lots of this behaviour is in SURFERS PARADISE and CHEVRON ISLAND
