We have to do something like Licensing Parents for they're Children to ride these incredibly fast and Dangerous E Bikes and Scooters. So brazen are the youngsters riding along on 1 wheel down the centre of main roads with no helmets and no respect for any other road user . As a Senior Driver we know who would be fined if we were involved in a Road Accident with one of these disrespectful youngsters. WE WOULD and they would get away scott free.Licence the Scooters and e Bikes so parents take responsibility for they're children actions.Regards [REDACTED]
