Some years ago after moving from Bald Hills Brisbane to Bundaberg I used to travel back to Brisbane on the Tilt Train to see family still in Brisbane. I used to stay in Abbey on Roma apartments opposite Roma Street Station. Several times when walking from unit to Roma Street station to catch suburban trains I had several close encounters with escooters when riders were rounding corners & not looking for pedestrians coming from opposite directions. It was only my vigilance that saved me from personal injury. I am now 93 & was in my 80s when encounters were avoided. For my personal safety I soon gave up travelling to Brisbane & now rely on family to come to Bundaberg to see my wife & me. Kev Drinnen PS It is now common around Bundaberg to see 2 persons on scooters & riders without helmets. MORE POLICING is Required
