In Maroochydore/Mooloolaba area these bikes/scooters are a menace. They travel at speed on roads and footpaths alike. Often the young boys on the e bikes have no helmets and are seen travelling at speed on the rear wheels in the middle of the road...Aerodrome rd, a very busy road as an example.They do not adhere to road rules at all and often just slow at lights and then go through endangering pedestrians crossing these areas.They often ride in the middle of a car lane with no consideration to vehicles which actually have licenses to travel these roads.They are a menace to our area.Tx Russell
