Attention Deb.

My wife & I were spending
an afternoon at McDonalds
Biggira Waters, when we were
surprised to be interrupted by a
teenager, riding an electric scooter
in and out of the entry of
the store.

The manager asked him to leave
& he continued to return, riding
in the entry area.

When we left he remained in
this area & we had to walk around
him. We continued to walk to
our car & he rode along the footpath
next to us. We were lucky not to
be injured.

The Harbour Security spoke to him on
two occasions but did not call the police.

Yours Sincerely - Rodney Fosc.
