Submitter Comments:

All riders e-bikes, e-scooters, e-skateboards should need to hold a drivers license. Teenagers do not have the maturity to ride them and are a danger to themselves and the public. High school students use the public footpaths at reckless speeds, particularly along the beachfront paths eg Tugun to Palm Beach. There should be heavy fines for underage riders. Please make a "dob in your neighbour" policy so residents can report the address of the underage riders as the police can't catch them out in the open.
