As a Palm Beach, Gold Coast resident, I am deeply concerned about the safety of young adolescents that are driving these e-bikes and e-scooters. I have seen so many near misses of horrific car accidents and witnessed an actual accident of a young boy who went through a red light and was struck by a car. I feel the youth riding these bikes and scooters have no knowledge of road sense and are not only endangering themselves, but also their passengers and pedestrians. I feel this situation is getting out of control and action needs to be taken before more lives are lost. Thank you for your time.
