I must admit I would have been at the front of the pack if this technology was available when I was a young but it was when high powered Japanese motorcycle s became available many lives were lost or injured individuals due to many reasons .Boys will always Boys . Sucking the life blood out of this youth by blanket bans and retrictions will not stop this so called scoundrels Education is the answer . The council closed the off-road track at reedy creek . Roll your sleeves up Herman Vorster and get it reopened for These lads maybe we might have a new Aussie champ one day cheers John Kennerley ps I'll be the first at the gate volunteering!
