Submitter Comments:

██████████ died last week here in Townsville riding an electric scooter he was 18 years old. I had known him since he was a born. Last year a young girl was killed in Deeragun riding an e scooter. She collided with a motorcycle and the rider was seriously injured. He is a mate of mine, ██████████ The young girl was killed. Last week I was overtaken on Dalrymple road by a kid on a scooter, it is an 80 zone. My legal e-bike is speed regulated to 25 kph. Why is the law turning a blind eye to electric unregistered vehicles on the road that cause death and severe injuries? Why are our leaders not putting a stop to this ?
