Submitter Comments:

I believe there are advantages to them but people are abusing the privilege. Watched an E-Bike at the lights of Ross River Rd and Nathan St and he would have been going as quick as any motor bike. Admittedly, he was dressed in full gear and helmet but to travel that fast, makes it a motor bike and should be registered as such and a licence to match, otherwise anyone of any age could be ride one with no rules and thst could become dangerous with young children.
