I have seen alot of near accidents with the E-Scooters. Yesterday as I picked up a child from a school near Bounday Rd, I witnessed two high school girls, in uniform, speeding down Boyndary rd. They didnt look to see the cars about to merge on to Boundary Rd , and were nearly knocked down by a car that didnt see them ( due to the high speed they were travelling at). Please cease supplying these E-Scooters , and keep our children safe. Please!
