Submitter Comments:

I have seen E-scooter riders behaving with no idea of road rules. Traveling on the wrong side of the road, not indicating intentions, no helmet , darting between road, footpath and traffic lanes. I would like to see all motorized vehicles to have a paid registration number plate and a license of some kind. Further more I would like to see the sale of small wheeled less than 150mm devices withdrawn from sale in Queensland. They are certainly a perceived danger on footpaths in shopping areas
