

Inquiry into e-mobility safety and use in Queensland

Submission No: 1104

Submitted by: [REDACTED]

Publication: Making the submission public but withholding your name

Attachments: No attachment

Submitter Comments:

Increase the assisted speed limit to 32 km/h
Raise the legal power limit, as 250w maybe insufficient for hill climbing under load
Allow throttle use up to legal speed limit just like throttle assist
Align Queensland laws with other states to avoid limiting product availability
