It is an outrage that the Queensland government thinks that this action is appropriate or acceptable. The people deciding this should be ashamed of themselves. These laws exist for a reason. They are there to protect Brisbane's unique history, to safeguard irreplaceable parts of our environment and heritage against short-sighted decision making. To dismantle them, in order to ram through two massive, poorly-conceived stadium developments that will forever change the face of Victoria Park Barrambin. You obviously do not value the people of Brisbane, this precious green space, or the laws and democratic process. Your mother's are not proud of you!
