Hello, Can you not? Im genuinely so sick of your rubbish. Obviously if you're changing these laws willy nilly, you're going to ignore most of these submissions, so i am at the point where it feels pointless to include any community group's drafted template. I just kind of hoped by now we'd be done with the colonialism, but i guess it never ends. If you cant see why altering all this legislation for your cause is a terrible idea, you've obviously got rocks for brains. Anyway i hope you cant sleep at night, at the very least. Kind regards, [REDACTED]
