### Submitter Comments:

The land clearing that has been going on all over Australia is a disgrace, koalas need to be protected and that includes their habitat, Australia has the largest mammal extinctions in the world due to careless consecutive governments and it needs to stop, our environmental laws are pathetic, and Australians are fed up. NO MORE bending the rules, koalas are endangered and the Appin Rd and Coomera Connector are pathetic, the destruction that has had on our koalas, plus clearing land for those horrible wind turbines are a disgrace, now u want to cut down koala habitat for the bloody Olympics NO NO NO, we need someone in government who actually gives a [REDACTED]! I really have had enough of the destruction and people in our government and agencies making decisions without any diplomas or knowledge in these areas. Just STOP THE HABITAT DESTRUCTION NOW, from one very [REDACTED] Australian!!
