Victoria Park is a space treasured by the entire community, how can you justify bulldozing it? Those laws and regulations were put in place for a reason; to protect the people and our interests. It is your job to serve us and what we want. Not investors, not tourists, you serve us. Do you honestly believe that this is what we want? That this will benefit our community? Open your eyes, remember the oath you made, and do what is right, not what is profitable.
