I cannot believe that you are excluding Victoria Park from the heritage and environmental laws. Qld's environmental and heritage record is appalling already. I cannot tell you how disappointed upset and furious I feel this is worse than living under the Bjelke-Petersen government. Apart from anything else you broke your promise to not have the stadium at Victoria Park. I hope that you hear the sounds of the trees breaking the animals wailing and the children asking where are the parks when all this is done.
