### Submitter Comments:

Victoria Park is a wonderful green space for all people. It is a treasure in this ever growing concrete jungle. Parks are not only the lungs of the city but the heart as well. This park needs protection to respect its history, indigenous significance and for the wellbeing of countless citizens now and in the future. I respectfully ask that your report to Parliament recommend that: 1. Victoria Park / Barrambin be removed from Schedule 1 (Authority Venues); 2. The cultural heritage override provisions be withdrawn; 3. Olympic developments be subject to existing Queensland laws like all other developments; 4. The Victoria Park Master Plan be upheld as a reflection of the community's vision for the park. Thank you.
