QBCC law Sections 31(1)(a),31(1)(e),59 and 60. Permanently excluded individual. This law doesn't allow contractors to reapply for a license after being bankrupt after one event. I went bankrupt in 2007. I have done the contractors course again and complied with all their requirements. They are unable to assist me because the law is grandfathered to 2015. Having this law grandfathered is unfair and restricts contractors from reapplying for their license's. Please look into this law so contractors can have a second chance. To allow people pre 2015 to reapply and not others is not fair. Please lift this law so we can reapply for our licenses.
